Sir/Madam,

Subject: Processing of Passport File No BO3073180625018

I am Denzil Godwin Griffiths having the passport file number BO3073180625018. While applying for passport, I gave the current and permanent address as the same, that is: 'Lake View CHS LTD, H-1, 3:1, Sector-14, Airoli, Navi Mumbai – 400708, Maharashtra', as I was residing there in the month of December 2018. I got an email on December 25 that the Police Verification Request for my application had initiated. I even visited the respected Police Office on December 31 2018 to enquire about it. However, the police officer in charge informed me that it would take 3 weeks for the request to reach them. Then only would they proceed with it.

I moved to Bangalore for work on the 2nd of January 2019 and as a result I wasn't available when the police officer came home for verification. I am currently living in Bangalore at the address: HM Tambourine, Flat no: S1004, Jaraganahalli, J.P. Nagar 6th phase, Kanakpura main road, Bengaluru, Karnataka – 560078.

Could you please provide your approval for moving ahead with the processing of my application?

Thank you.

Regards,

Denzil Godwin Griffiths
